MYELOPROLIFERATIVE DISORDERS AND :
LEUKEMIA, AND USES THEREOF :

DECISION ON PETITION
TO REVIVE ABANDONED
APPLICATION UNDER 37
CFR 1.137(b)

The petition to revive under 37 CFR 1.137(b) filed 02 January 2001 in the above-captioned application is hereby **GRANTED** as follows:

Applicants' statement that the "the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional" meets the requirements of 37 CFR 1.137(b)(3).

A review of the application file reveals that applicants have now submitted the basic national fee of \$430 and the requirements of 37 CFR 1.137(b) have been satisfied. Therefore, the request to revive the application abandoned under 35 U.S.C. 371(d) is granted as to the national stage in the United States of America.

Applicants have also submitted a declaration in compliance with 37 CFR 1.497, and Deposit Account No. 11-1153 has been charged the required \$65 surcharge for supplying the oath or declaration later than thirty months from the priority date.

This application is being returned to the National Stage Processing Division of the Office of PCT Operations for further processing in accordance with this decision. The 35 U.S.C. 371(c) date is **02 January 2001**.
